Hello Sarah,

Hope you're feeling better. Do you know if you or another LASAN rep will be able to join us in our visioning workshops?

Thank you always!

Thank you Sarah! Is there anyone who can tag team with you for the workshops that way it's not just you?

Appreciate you checking. Let me know!

I figured that the 25th will be a busy day.

Thank you always!

Let me check my calendar for the evening workshops. I'll need to make arrangements for my son. As for 4/25, that's the same day as our LASAN Citywide Earth Day. Myself and the entire LASAN team will be at the event at Penmar Recreation Center in Venice.

Hi Sarah,

Hope you're well!

Our office will be having a series of (4) community visioning workshops, one per neighborhood in March where the Councilwoman will provide a small community update followed by a workshop focused on different topics including 1. homelessness 2. infrastructure 3. economic development 4. open space and 5. beautification

We are inviting city department reps to join us should any questions arise in their subject areas during the workshop portion of the event.

Are you or another rep from LASAN able to join us?

Attached is the flyer with the dates.

Also, unrelated, we are having an Earth Day tree planting event in Pacoima on April 25th from 8AM-12PM and would love to have a LASAN rep host a booth. Are you or another rep able to join us? We are still finalizing the venue.

Thanks so much! Please don't hesitate to contact me if you have any questions.
